

Legal Careers

We Save Lawyers.

Join our team of 1,200+ top lawyers and help us change the legal world for the better.

Legility offers varied legal career opportunities that balance impactful work with a flexible lifestyle and professional development.

We are a win-win for lawyers. Clients address priority projects, take advantage of significant process improvements and save money. Our lawyers, passionate about the law, get to work on interesting assignments in a flexible way.

Representative Experience

Our lawyers and legal professionals have deep expertise in virtually all domains, including:

- **Litigation**
 - Business, Class Action & Mass Tort
 - Complex Commercial Litigation
 - Commercial Bankruptcy
 - eDiscovery
 - Pre-Litigation Services
- **Multidisciplinary Areas**
 - Employment
 - Healthcare
 - Intellectual Property
 - Real Estate

We work in a welcoming and collaborative environment. I like the flexibility and that I get to touch different matters of various scopes and sizes.

– James Williamson

Representative Experience, cont'd

- **Corporate**
 - Corporate Compliance & Governance
 - Commercial Contracts
 - Mergers & Acquisitions
 - Securities
- **Transactional & Compliance**
 - Business, Class Action & Mass Tort
 - Complex Commercial Litigation
 - Commercial Bankruptcy
 - eDiscovery
 - Pre-Litigation Services

I have gained a lot of new experience working on the forefront of eDiscovery and still have a good work-life balance.
– Laura Harrington

Discover New and Rewarding Ways to Advance Your Career

Choose opportunities spanning across diverse practice areas, clients and matters. Legility's talent team provides support from initial onboarding through each engagement to ensure your success.

How We Work

Flexible Talent – Legility works with corporate legal departments and law firms of all sizes to match specific legal needs with experienced professionals. Short- and long-term engagements are available, with opportunities to work part-time or full-time. Work is conducted on-site with the client or remotely, depending upon the engagement.

Managed Review – Agile lawyer teams work collaboratively in Managed Services Centers across the country managing platforms, tools and processes that deliver:

- Pre-Review Strategy
- Early Case Assessment
- AI Expertise
- Expert Workflows
- Managed Lawyer Review
- Proprietary Privilege & Redaction Capability
- Witness & Deposition Prep
- Post-Discovery Support

How We Work, cont'd

Deal Support – Support M&A deal flow and post-closing integration.

Commercial Contracts – Chart a course with flexible opportunities to support on-demand contract negotiation and management services.

Regulatory and Compliance – Subject matter experts help clients navigate regulatory and compliance needs.
